NEW YORK COIN

A CRYPTOCURRENCY
SOLUTION FOR INEXPENSIVE
GLOBAL VALUE
TRANSMISSION

<https://nycoin.community>

WHAT IS NYCOIN?

NYCoin is an electronic currency, much like credit cards, but without the restrictions and fees.

Unlike credit cards and banks, NYCoin can be used anywhere in the world.

Transactions confirm in as little as 30 seconds and transaction fees are minimal at most, free 99.9% of the time.

0.01 NYC is charged occasionally to support and maintain the network

HOW TO ACCEPT NYCOIN

1

Download your choice of wallet, for iOS and Android we recommend Coinomi

2

Encrypt your wallet and save your password

Do not share the password, seed phrase or wallet.dat file with anyone!

3

Display the receive QR code or address

4

Receive NYCoin within as little as 30 seconds from anywhere in the world!
